About the Fall Harvest Festival

Community Living South Muskoka and Morrison Meadows will host our 2018 Annual Fall Harvest Festival from Friday, September 21st through Sunday, September 23rd at Morrison Meadows in Bracebridge. The event will be open to the public from 10am until 4pm each day. In 2017, we welcomed almost 1500 attendees throughout the three day event.

In 2007, Community Living South Muskoka (CLSM) purchased Morrison Meadows, a 35 acre farm on the outskirts of Bracebridge. We wanted to create employment opportunities for the individuals we serve, and become an outdoor recreational space for our community to enjoy and see individuals with a developmental disability as capable, friendly, teachers, partners and community leaders. Morrison Meadows is intended to enrich the lives of the community and our visitors by providing opportunities to enjoy farming, nature, and outdoor recreation activities.

About Community Living South Muskoka

Founded in 1960 by a group of concerned parents and incorporated in 1967, Community Living South Muskoka is a registered charity that provides support to over 350 individuals with a developmental disability and their families. Community Living South Muskoka serves individuals residing in South Muskoka from Severn Bridge and Port Severn/Honey Harbour to the South and from Mactier to midway between Bracebridge and Huntsville in the North. For Family Home programs we support individuals in the entire District of Muskoka.
